D-001 MN 5 or 5 Pro ROV offer-2026-PR1

MarineNav extends to first-time customers a trial offer of use of an Oceanus Pro ROV system for five (5) days, or a maximum of five (5) ROV operational hours.▲

With an overwhelming selection of inspection-class ROV systems available, your decision to choose an ROV system that actually delivers to its advertised expectations becomes less clear. MarineNav ROV systems have been designed, manufactured and assembled on-site with every system undergoing rigorous testing prior to delivery. With a reputation for its rugged durability, ease of use and competitive pricing it's no wonder that our MarineNav ROVs have quickly become the best selling inspection-class ROV in the market.

Not satisfied with your purchase? Return your Pro ROV system within the trial period and you'll receive a full refund.▲

5 Or 5 Oceanus Pro Trial Offer

Available to first-time customers

D-001 MN 5 or 5 Pro ROV offer-2026-PR1

▲ 5 Or 5 Oceanus Pro Trial Offer - Terms and Conditions

- Offer extended to first-time customers who qualify for approved credit when purchasing a MarineNav Pro ROV system. The five-day trial period begins when shipment is received by customer (as recorded by the shipment tracking number). The five ROV operational hour trial period is recorded and tracked by the Oceanus ROV operating system software.
- At five days, or five ROV operational hours (whichever comes first) customer must either return the ROV system in original shipping packaging to MarineNav, or contact MarineNav's finance department to arrange financing (or to arrange payment of invoice).
- The 5 or 5 Oceanus Pro trial offer is not available for the Oceanus Mini-Lite, Oceanus Mini, Oceanus P8 Pro, or Oceanus Ultimate ROV systems and is exclusive to first-time customers purchasing a standard Oceanus Pro ROV system. (A standard Pro ROV system includes one (1) Oceanus Pro ROV, one (1) Oceanus Pro Topside control case, one (1) standard Oceanus Hand Controller (v3.0), and one (1) standard length of ROV neutral buoyancy tether).
- The 5 or 5 Oceanus Pro trial offer does not apply to additional lengths of ROV tether, or any ROV accessories (either manufactured by MarineNav, or third-party manufacturer). If a customer purchases two or more lengths of tether, the shorter length of tether is covered by the 5 or 5 Oceanus Pro trial offer.
- A full refund is provided to customers who meet the terms of this agreement, and upon MarineNav receiving the original shipped ROV system returned undamaged, in the ROV systems original packaging.
- The customer is responsible for all shipping costs associated in delivering the Pro ROV system to and from MarineNav. Shipping costs are not included as part of the refund offer.

* Three Year Limited Warranty - Terms and Conditions

MarineNav's Three Year Limited Warranty applies to customers who have purchased one of the following ROV systems; an Oceanus Mini, an Oceanus Pro, or an Oceanus Ultimate ROV system. An initial two-year limited warranty is made available when your eligible MarineNav Oceanus ROV is registered within the first year of purchase. For the warranty to remain valid all regimented ROV scheduled maintenance must be completed according to manufacturers guidelines. At the completion of the initial two-year limited warranty period a third year extension is provided to those customers who have adhered to all regimented ROV maintenance as outlined by manufacturer. Warranty restrictions apply;

- a) MarineNav Ltd warrants that tether supplied with ROV systems or supplied separately will be free from defects in materials and workmanship under normal use and service for a period of ninety (90) days from date of shipment.
- b) MarineNav Ltd warrants that tether whips that were provided as part of an ROV system at time of original shipment will be free from defects in materials and workmanship under normal use and service for a period of six (6) months from date of shipment.
- c) MarineNav Ltd warrants that thruster motors that were provided as part of an ROV system at time of original shipment will be free from defects in materials and workmanship under normal use and service for a period of one (1) year from date of shipment. This does not include wearable parts such as propellers, which are considered a consumable item. Tampering, misuse and regular wear are not covered by warranties.
- d) MarineNav Ltd warrants that the ROV float block that was provided as part of an ROV system at the time of original shipment, or purchased separately will be free from defects in materials and workmanship under normal use and service for a period of three (3) months. The three-month warranty does not cover normal wear such as scuffs, scrapes indentations, or other damage to the float block caused by external environmental factors.
- e) MarineNav Ltd warranties exclude corrosion that may occur on ROV metallic parts caused in part by improper cleaning and storage of ROV after each mission. Refer to your owner's manual for proper cleaning and maintenance of your ROV system.

MarineNav Ltd. is an ISO 9001:2015 certified company. Our certified Quality Management System ensures that each unit we produce adheres to the strictest standards and complies with customer requirements. While we strive to ensure the accuracy of all items and descriptions in this document, this is not always possible. Specifications, options, and availability are subject to change without notice. Errors and omissions excepted. We reserve the right to limit quantities.
