FRONT VIEW OF CG ELITE 15 DISPLAY

## ▶ CG ELITE DISPLAYS

Seeing is believing with MarineNav's true marine grade quality, **sunlight readable displays**. All MarineNav displays come with **dedicated backlit front controls** that are easy to see and use, and our **one-touch red monochrome night mode** is ideal for low light conditions. You won't miss out on any action with the **picture-in-picture display**.

The CG Elite features **resistive touchscreen technology** that will allow you to use it even with gloves on. The CG Elite marine display features standard marine grade aluminum construction and comes with a two year warranty (2nd year with product registration). **Available with optional integrated computer** (15" and 19" models only).
