

FRONT VIEW OF LEVIATHAN 17i FANLESS

## ▶ LEVIATHAN 17i FANLESS

MarineNav is proud to introduce the latest addition to its highly successful Leviathan series – the Leviathan 17i Fanless marine computer. With class leading performance, available with Intel i5 or i7 CPU, you have all the power of the Leviathan 17i without any sacrifice of speed, plus the added benefit of no moving components.

The MarineNav Leviathan 17i Fanless offers numerous expansion capabilities with long term platform stability until 2017. Standard mean time before failure (MTBF) is over 100,000 hours, which is equivalent to over a decade of dependable service — all from the most reliable marine PC series on the market.

The Leviathan 17i Fanless marine computer is the perfect computer system for running radar systems, Integrated Bridge Systems (IBS), Electronic Chart Display & Information Systems (ECDIS), Dynamic Positioning Systems (DPS), and Voyage Data Recorders (VDR).

## ▶ FEATURES

- **120 GB SSD System Drive**
- **4 GB RAM**
- **8 USB Ports**
- **500 GB HDD; upgradeable**
- **Can operate dual independent screens**
